- Website (Andrew) none
- Tony Litt (Brian) DePere Select is going to run concessions. Refs should get complimentary something for the tournament. Matt will contact the DePere Select about this.
- Scheduling (Michelle) Difficulty in putting the East GB girls - working on it to get it online.
- Scoring (Joe) none
- Referee (Matt G) Actually, have too many refs. 8 youth refs at county level games for U15 and under. (A couple at u16). Adult refs stepped up to mentor. Please let parents and coaches know that they can't be blaming, criticizing or saying anything but positive comments to the youth refs. Ask your coaches this question if they have any concerns. "Did it really cause any issues for the outcome of the games?" Share any concerns or questions with Matt since this is a new program. The goal with the mentor is to help give higher quality education. Application is where it is at. Strict criteria – must be 15 or older, 3 or more years of reffing, and a personal recommendation of a trainer. This is a handpicked group.

District Reports:

Allouez(3): - numbers are way down. U6 and u8 are playing already – no refs so they can start now. U10 and U12 will be playing. Down about 100 players.

Ashwaubenon(3): at the same number of players last year. Well attended training for coaches with Neil Bradford. SAY guy. Will be adding new board members in October.

DePere/Wrightstown(6): Ref training done and some will attend Allouez. Coaches training went fine. Problem is that so many people are signing up late. Mass emails were not sent out. Mailer cards were sent out. Advertised in newspapers, bulletin boards, schools and still missed the older kids

Green Bay East(6): 1385, growing capped out u6 and still taking registrations rest of them. Scott Haywood trained. At Edison for 3 hours 6:30-9:30 on Friday and then Sat 9-12:00. Required training every other year. All East U12 down started this past Monday. End mid July.

Green Bay West(3): not here

Pulaski(4): Equipment hand out done, practice with the refs were done, pictures are already done. 800 kids

Adjourn: 7:38
